Covered EHB benefits

Ascension Personalized Care plans provide you and your family coverage for the most important areas of care. Essential health benefits (EHB) are a set of 10 services that each health plan must cover under the Affordable Care Act. These 10 essential health benefits are:

- Ambulatory patient services (This is also known as outpatient care. This includes any services you can get without staying in the hospital.)
- Emergency services
- Hospitalization
- Pregnancy, maternity, and newborn care
- Mental health and substance use disorder services, including behavioral health treatment
- Prescription drugs
- Rehabilitative and habilitative services and devices (Habilitative services are healthcare services that help you keep, learn, or improve skills and functioning for daily living.)
- Laboratory services
- Preventive and wellness services and chronic disease management
- Pediatric services, including oral and vision care (Adult dental and vision coverage aren't essential health benefits.)

2022 Bronze plans

Ascension Personalized Care offers a variety of Bronze plans to meet your family's needs. These plans may be right for individuals and families that do not expect many doctor appointments and have fewer prescription medications. Bronze plans offer low monthly premiums and cover preventive services. We also offer a Health Savings Account (HSA) eligible plan that provides a tax-free way to save on healthcare costs. Use the bank of your choice to establish an HSA today.

Ascension benefits

Ascension Personalized Care offers benefits that you won't find with other insurance carriers. These benefits are unique to Ascension and offer you additional care for your mental, emotional, and spiritual health.

Mindfulness meditation

How do we balance the pressure of life while maintaining a meaningful, healthy connection with ourselves? With the tools offered by Mindfulness meditation, you can relax and center yourself. Meditation has been a valuable tool for reducing anxiety and improving well-being for centuries, and it's easy to begin a meditation practice.

Online behavioral health

Ascension has a compassionate, personalized approach to behavioral health. At Ascension, we understand that caring for your mind is just as important as caring for your body. That's why we offer online behavioral health treatment programs personalized for each person's needs - as an adult, senior, adolescent, or child.

On-demand spiritual care

At Ascension, we understand that healthcare means more than medical care. It means care for your whole health - emotional, mental and spiritual. Our trained, experienced chaplains are essential members of our healthcare team. Whatever your faith and beliefs, qualified chaplains are available online 24 hours a day to help ease your mind and lift your spirits with one-on-one compassionate care.

How to enroll
