

Preventive care

Ascension Personalized Care plans cover preventive services at 100%. Preventive care is not subject to copayments, deductibles or annual limits when received from an in-network clinician. For more information, please refer to the Evidence of Coverage documents.

Pharmacy

Ascension's prescription drug plan is automatically included in all Ascension Personalized Care medical coverage. In 2024, MaxorPlus will be the pharmacy provider. CVS, Walgreens and Walmart are all included in the network. To get the most out of the pharmacy benefits plan, members can take advantage of home delivery, Ascension Rx, Drug Search Tool and 24/7 access to ascensionapc.maxorplus.com. For additional pharmacy benefits, please refer to the member handbook.

Added benefits

Ascension Personalized Care is proud to offer additional benefits for our members. These include \$0 medical deductible Bronze and Silver plans, no referrals needed within the Ascension network, 24/7 nurse line and Ascension Care Management. Please refer to the member handbook for detailed information on these and other benefits.
