### Please read all instructions below before completing this form.

**Please send this request to the issuer from whom you are seeking authorization**. Do not send this form to the Texas Department of Insurance, the Texas Health and Human Services Commission, or the patient's or subscriber's employer.

Consistent with TDI rule 28 TAC Section 19.1820, health benefit plan issuers must accept the Texas Standard Prior Authorization Request Form for Prescription Drug Benefits if the plan requires prior authorization of a prescription drug or device.

In addition to commercial issuers, the following public issuers must accept the form: Medicaid, the Medicaid managed care program, the Children's Health Insurance Program (CHIP), and plans covering employees of the state of Texas, most school districts, and The University of Texas and Texas A&M Systems.

**Intended Use:** Use this form to request authorization **by fax or mail** when an issuer requires prior authorization of a prescription drug, a prescription device, formulary exceptions, quantity limit overrides, or step-therapy requirement exceptions. An issuer may also provide an **electronic version of this form** on its website that you can complete and submit electronically, through the issuer's portal, to request prior authorization of a prescription drug benefit.

**Do not use this form to:** 1) request an appeal; 2) confirm eligibility; 3) verify coverage; 4) request a guarantee of payment; and 5) ask whether a prescription drug or device requires prior authorization; or 6) request prior authorization of a health care service.
