2024 OEP has arrived

The 2024 ACA Open Enrollment Period is here!

As an Ascension Personalized Care member, you already know we created and designed this health plan for what matters most-you. We will offer individual Marketplace health plans in Indiana, Kansas, Tennessee, and Texas beginning Jan. 1, 2024.

Has anything changed from last year?

- You will need to update your information if any of the following is true:
- Change in income
- Moved

- Need to add/remove family members
- Any other important life changes

To make changes to your APC plan, visit enroll.ascensionpersonalizedcare.com by Dec. 15, 2023. If you do not have any changes, **you do not need to do anything and you will automatically be re-enrolled** in the same plan on Dec. 15.

Please note: APC plans are only available in select counties in Indiana, Kansas, Tennessee and Texas for 2024. If you are in Michigan or an effected county, you will need to visit healthcare.gov to enroll in a new plan for 2024. To view 2024 counties, click below.

Understanding ACA and 2024 changes

ACA stands for the Affordable Care Act. Ascension Personalized Care offers a variety of affordable plan choices designed to be easy to understand and use, so you can focus on your health.

Please note that previously, enrollees had 90 days to send regulators income proof. During the 2024 enrollment period, they will have 60 days. Also, adults turning 26 in 2024 can stay on APC until the next enrollment cycle.

It's important to enroll in health coverage because:

- It can help you manage your health and the costs associated with it.
 - Without health insurance, you will be responsible for the full cost of medical care.
