

Schedule of Benefits

In-Network benefits are based on the Exclusive Provider Organization's approved amount. This Policy does not pay benefits for Covered Medical Expenses from an Out-of-Network provider, except for Emergency Services. Benefits are determined after any applicable Deductible and Coinsurance and are subject to General Exclusions and other applicable limitations.

***Deductible**
-Individual
-Family, embedded

"Embedded" = If the policy is covering a family, the amount of Covered Expenses can be satisfied by any combination of family members, but any one individual cannot contribute more than the Individual Deductible amount. An individual family member may be entitled to benefits before the Family Deductible is satisfied if that family member satisfies the Individual Deductible.

****Cost Sharing Maximum**
-Individual
-Family, embedded

Deductible, Coinsurance, and Copays apply to the Cost Sharing Maximum.

"Embedded" = If the policy is covering a family, deductibles, coinsurance and copays will continue to be applied to an individual until either the individual meets the Individual Cost Sharing Maximum or the Family Cost Sharing Maximum is satisfied. Claims paid after the Family Cost Sharing Maximum is met will have no further Cost Sharing applied.
